Mr. Richard Lehman
National Intelligence Officer for Warning
Central Intelligence Agency
Washington, D.C. 20505

Dear Dick:

This is to confirm previous staff arrangements for your briefing on the new national warning organization and the future of the SWS. The brief is scheduled for 0930, 16 January 1979, and will be presented in the NMIC Conference room to the first meeting of the DoD I&W System Planning Group.

I wish to thank you for taking time from your busy schedule to make this presentation. I know it will be well received.

Sincerely,

Vice Director for Production
